

PWIPM

PROFESSIONAL WOMEN IN PEST MANAGEMENT

PROFESSIONAL DEVELOPMENT

WORKSHOP

Join the Professional Women in Pest Management (PWIPM) for a FREE professional development workshop on Tuesday, July 17 from 8:30AM - 5:00PM at the PGA National Resort & Spa in Palm Beach Gardens, FL!

What WISE WOMEN Need to Know (and sometimes just need to remember) for Survival, Success and Significance
presented by Susan Hite

8:30AM WELCOME

Dr. Jacqueline M. Applegate, Member of the Crop Science Executive Committee & President of Environmental Science Worldwide at Bayer

9:00AM SURVIVAL - TAKING CARE OF YOU

Evaluate how you are meeting your needs personally, according to the experts; then identify and evaluate your needs professionally using your own self-knowledge and industry-knowledge.

10:30AM BREAK

10:50AM SUCCESS - TAKING CARE OF YOU AND OTHERS (PART 1)

Understand communication strengths and challenges and how to leverage strengths, manage challenges and flex to different styles of communication to increase effectiveness. You will take the Shapes assessment as part of the workshop, and will score immediately to use your results in the workshop/activities.

12:30PM LUNCH

1:30PM SUCCESS - TAKING CARE OF YOU AND OTHERS (PART 2)

Group Discussion

3:00PM BREAK

3:15PM SIGNIFICANCE - MAKING A DIFFERENCE WHILE YOU MAKE YOUR LIVING

Close out the workshop with some inspiration and a challenge/reminder to think differently about what you do to make your living..." it's not just about killing bugs!"

4:00PM CLOSING COMMENTS

Please join us for a cocktail hour from 4-5PM.

NOTE: Participants will have the opportunity to get an updated headshot during this event.

SUSAN HITE is the creator of Susan's Train Your Brain Series™, featuring seven principles for personal growth and professional development and serves as President of Hite Resources, Inc. since 2001.

In addition to utilizing her Train Your Brain principles for survival, success and significance in the workplace, Susan is MBTI® and FIRO-B® certified and is a licensed consultant of the behavioral tool Psycho-Geometrics® that is used to identify behaviors to reach desired results, especially in communication. She also has her certification in a complexity reduction program, which is a system to raise awareness of bad complexity behaviors and provide tools and solutions for decreasing it, while increasing profit, agility and morale.
