HELP US REPLENISH THE NPMA ISSUES DEFENSE FUND

Limited Sponsorships Opportunities Available at Prestigious Golf Events!

This year NPMA is introducing a new opportunity to support the industry by investing in the NPMA Issues Defense Fund at **TWO** exclusive NPMA Golf Tournaments. **This will be the only time we will be soliciting for the Issues Defense Fund in 2018 so please participate! Opportunities available to be recognized as an IDF supporter, available with an investment as low as \$250.**

NPMA
Issues Defense Fund

The NPMA Issues Defense Fund is an investment to defend and advance the pest management industry in extraordinary circumstances through legislative, regulatory, and legal advocacy and action. This year alone we have spent over \$50,000 on significant efforts to further much needed pesticide regulatory reforms on Capitol Hill and within the Executive Branch. We will need your continued support to replenish our resources and continue the fight.

That's why this year we're conducting one fundraiser and sponsorship opportunity that will maximize your impact at two exclusive events on two PGA caliber courses that host tour events!

These are two premiere events and a great way to show your fellow NPMA member's your support and dedication to the industry. Please see below for sponsorship opportunities at each event. There are reduced sponsorship rates if you pledge to sponsor for both golf tournaments!
